

Dear Parents, Carers and Swimmers

This year's AGM will be held on Wednesday 30th January at 19:00 at the waterside pool.

Everyone is invited to attend. This will be a fantastic opportunity to put your name forward to volunteer for a role within Ryde Swimming Club.

We have many vacancies and the more roles we can fill the easier the job becomes for everyone and the more successful the club can become with the input and support from parents and carers.

Kind regards

Mags
