

Dear Parents and Carers

We are entering the cossc open meet on March 2nd as a club . I need all entries returned to me by next Saturday 12th January. Any entries received after this date will NOT be entered . The meet is filling on a first come first served basis so we must submit our entry ASAP.

All entry fees must be paid in full into the Ryde Swimming Club account . Entries received without the correct entry fees will be rejected. The cost is £6.50 per event entered (so 3 events will cost £19.50).

This is a level 3 meet and is suitable as a starting meet . If your child swam in the club champs they will enjoy this competition. Please contact either Donna or myself if you have any questions. Swimmers will need COMPETITIVE Swim England membership to be eligible to compete.

Details are below . If you send your entry to me by email and I don't confirm receipt of it then I haven't received it . Hard copies will also be accepted .

Please ensure you put your Asa number, date of birth and if possible your entry times on your entry form.

Kind regards
Mags
