

From January 2019 the structure of Ryde Swimming Club is set to change.

We will be holding a meeting at the waterside pool on Wednesday 12th December at 7pm for ALL parents and carers of swimmers.

It is imperative that you attend this meeting if you have a swimmer attending squads as ALL swimmers will be affected in January.

In attendance will be the Manager for the waterside pool, a member of the board of trustees and a representative of the ASA, which is the body governing all of British Swimming.

Please could you reply to me by email, so we know everyone is aware of the meeting and state if you will be attending, so we can ensure there is enough space for all.

If you have any questions, please ask and I will endeavour to answer them.

Kind regards

Mags
